

IT Summer School

2017

SCHOOL OF SOFTWARE ENGINEERING

BEIJING JIAOTONG UNIVERSITY

About the Program

IT Summer School at the School of Software Engineering, Beijing Jiaotong University combines cutting-edge technologies and wonderful Chinese culture experience. The program is taught in English and divided into two main parts: Mobile App Development and Intro to Chinese Language & Culture; the duration of each is 2 weeks; 4 weeks in total.

Program Adventures

1. Learning by doing and team work in collaborative environment with students from diverse culture and nationalities.
2. Visit famous IT companies located in Beijing Silicon Valley.
3. Interact with the other Summer School Chinese students from software engineering schools of the top Chinese Universities and make new international friends.
4. Embrace your experience of living abroad and expand your horizons.
5. Social and cultural activities.

Program description

Mobile App Development

Guided by an expert from a famous IT company, the students in small teams design a creative mobile application for Android from scratch and install it on the devices. Classes are held every day, from Monday through Friday, with two company visits.

Duration	Program	Credits	Date
2 weeks	64 hours of coursework 2 visits to IT companies Site tours on weekend	4	July 3- July 14, 2017

Introduction to Chinese Language & Culture

Guided by our instructors experienced in teaching Chinese as a foreign language, the students will learn basic Chinese language and experience Chinese culture, as calligraphy, tea ceremony, traditional knitting and paper cut. Classes are held every morning, from Monday through Friday, with culture workshops two afternoons per week.

Duration	Program	Credits	Date
2 weeks	40 hours of coursework 4 culture workshops Site tours on weekend		June 19- June 30, 2017

Note: Chinese course is addition to IT course and optional to choose, it will be opened for a minimum of 10 applicants.

Cultural & Social Activities

SSE Summer School is not only coursework, but also a great opportunity to have fun and discover the beautiful city of Beijing with its rich cultural heritage. During your stay, you will visit the most beautiful sites in Beijing such as the Great Wall, the Forbidden City, Tiananmen Square, the Summer Palace, Temple of Heaven and others.

Housing & Food

Foreign student dormitory will be provided on campus with standard room for 2 persons and a private bathroom. The dormitory is located near the classroom buildings, library, stadium and canteens. From it you can branch out to the city with a walking distance to the subway station.

Different meals are available on campus in the student canteens: varieties from different ethnic of China, Muslim, western and other Asian food.
